Consumer Print Labs

The following are suggested places to print your photos. Try to avoid Department & Drug Stores. The print and color tends not to be the best quality.

1. Mpix: www.mpix.com A all-around good lab with lots of photo offerings and quick shipping.
2. AdoramaPix: www.adoramapix.com A lab with lots of unique offerings. o
3. Pinhole Press: www.pinholepress.com Offers simple, quality press prints and products including books, cards, and games.
4. UnitPrints: www.unitprints.com
5. Costco: www.costco.com <https://www.costcophotocenter.com/Home> (membership required)
